Behavioral therapy in diabetes mellitus and obesity

Published On: August 24, 2018 | Pages: 015 - 021

Author(s): Istvan Sal* and Ildiko Kohlne

In Weimar, on the wall of Albert Schweitzer Museum, there is a memorial tablet which says: "The purpose of our life is to serve, to show solidarity and helpfulness." The humanist medical doctor, theologian, philosopher, organist could not have expressed more clearly our confession. Behavioral therapy integrates the cure of body and soul, which occasionally show some d ...
