

ARCHIVES OF CLINICAL GASTROENTEROLOGY

INVITATION FOR SPECIAL ISSUE

Special Issue Title: H. pylori and gastrointestinal and extra digestive diseases

We are glad to announce that a special issue titled H. pylori and gastrointestinal and extra digestive diseases? under Archives of Clinical Gastroenterology has been launched. We are pleased to invite you to submit manuscript for publication in the special issue.

On behalf of Bruna Maria Roesler the Journal invites all the potential authors to publish Original Research, Review and Case Reports etc. within the scope of the special issue.

Interested authors must respond to us within two business days (48 hours). We appreciate your endeavours in the field of Science and Technology and look forward to publish your quality research work.

Best Regards,

Sincerely,

DiaWagle

Journal Managing Editor
